

WHAT CAN YOU RECYCLE WITH THE SUPER RECYCLERS?

What can I bring from home and recycle for the Super Recycler clothing drive?

GUIDELINES

Colour the icons with the right color.

Green: These are the clothes you can easily bring from home.

Orange: The toys that mom or dad can help you bring.

Red: Skates, because you could get hurt; carpets and pillows, because we don't take them.

TIP

Plastic-Free Challenge: Let's recycle our clothing without waste.

When donating or recycling your clothes, instead of putting them in a plastic bag and polluting the planet, why not put them in an old pillowcase or an old pair of jeans, so that the textiles can be recycled and you will avoid contributing to adding plastic bags in the garbage!
