

# The Adventurous T-Shirt

## Objective

**Recognize the right actions that help extend the life of clothing.**

- I donate a clean sweater to the school
- I repair a button with an adult
- I put my too-small sweater into a bundle
- I buy clothing from a thrift store
- I turn an old T-shirt into a rag
- I throw away a sweater that is still in good condition
- I keep clothes that I never wear
- I put a wet garment into a bag

## Interactive Questions (short discussion)

- Does this action help the planet?
- Can this garment have a second life?
- What could we do instead?
- Who could benefit from this clothing?

 Option: Turn a  action into a  action
